On September 15, 2015, the City Council approved Vision Zero as Fremont's traffic safety policy and directed staff to prepare a Vision Zero action plan. The City Engineer, Hans Larsen, will introduce the Fremont Vision Zero 2020 plan. The plan identifies 2020 as the horizon year for eliminating traffic fatalities in Fremont with a focus on safer streets, people, and vehicles.

The City of Fremont is beginning the process of updating the City's 2012 Bicycle Master Plan, which is an important guide for implementing many of the complete streets-related

General Plan policies and goals. The City's consultant, Fehr & Peers, will introduce the Fremont Bicycle Master Plan update, including purpose, scope, and schedule. The presentation will introduce the City's vision for the update, which is anticipated to focus on an "all ages and abilities" network of low traffic stress bikeways, and will be followed by a discussion of the BPTAC's desired outcomes for the Plan update.
